ENWIN Utilities Ltd., is currently accepting applications for the position of:

Temporary Geomatics Technician
(Hourly Rate \$24.49- \$30.61)

Reporting to the Manager Geomatics, the successful applicant will be responsible for producing and maintaining asset drawings pertaining to our hydro and water infrastructure including traffic control plans while also ensuring that the appropriate asset information is entered into our company database systems. The duties include but are not limited to creating construction, as-built and supporting standard drawings as well as system operating diagrams; accumulating all available map information and creating project base maps depicting existing features and incorporating design aspects for use by others in development of final designs and identifying any issues during drawing development; updating and maintaining record maps to reflect future projects and the as-built state of hydro and water distribution system for reference by Engineering and Operations departments; Data and asset entry into the GIS system, AutoCAD as well as SAP, MeterSense and other databases as required; obtaining and processing relevant GPS data as required; providing requested infrastructure mapping to outside contractors when requested; field work including confirmation of information, field mark ups.

The hours of work for this position are 7:30am – 4:00pm.

The successful applicant must possess the following qualifications:

- Architectural, Civil, Mechanical Technician diploma from a recognized Community College, recognized OACETT Certified Technician designation or GIS equivalent.
- Minimum of two years of similar or related experience.
- Fluent in use of AutoCAD, GIS (ESRI, ArcFM), Northstar, Microsoft Office 365, ERP, Trimble Business Center, GPS.
- Ability to read and comprehend construction working drawings.
- Working knowledge of utility standards and specs, surveying standards, and procedures using GPS.
- Knowledgeable of standard drafting practices and concepts in Civil, Electrical or Architectural fields.
- Knowledge on GIS and updating GIS mapping.
- Ability to communicate effectively with co-workers, other departments, and the public.
- Knowledgeable of relevant government acts and regulations.
- Demonstrated ability for accuracy, problem solving and diagnostic skills.
- Ability to organize and prioritize assigned tasks.

As a prerequisite, it is a requirement to provide proof of being fully vaccinated against COVID-19. Fully vaccinated means that you have received two doses of a two-dose vaccine or have received one dose of a one-dose vaccine, and at least fourteen days have elapsed since receiving the last dose. If you are unable to be vaccinated due to medical reasons or on the basis of creed, we would ask that you kindly provide satisfactory evidence in support of an accommodation under the Human Rights Code. Such evidence may include a medical note from your physician (if your request for an exemption is on the basis of medical reasons), or a letter from your religious leader, religious organization or other suitable documentary evidence (if your request is based on creed).

Qualified applicants may apply at <https://www.applicantpro.com/openings/enwin/jobs> up to and including **Friday October 14, 2022. Please quote file EWU-22-01-050**

on application. Although all applications are appreciated, only those candidates selected for an interview will be contacted.

ENWIN believes there is significant value in the diversity within our workforce and we are committed to continually enhancing and improving diversity and inclusion throughout our organization. As an equal opportunity employer, we encourage all qualified individuals to apply for employment

opportunities and believe that strength flows from our individual differences and enables us to effectively serve our community.

ENWIN Utilities Ltd. provides accommodation in accordance with applicable laws through all stages of the hiring process. If you require accommodation for any part of the application and hiring process, please advise the Human Resources Department.
